IMMEDIATE NEEDS

Operating Budget

Our ministry is growing, our outreach is increasing at breakneck pace, and we need to stay ahead of the growth. The more operating budget we can add this year, the more people we can reach with the gospel.

Cuurio Christmas

We are planning a major fundraising event for Dec. 11, 2024, and it needs an underwriter. Underwriting Cuurio Christmas with a **\$50,000** contribution would set us up to be able to move forward with those plans to fund our 2025.

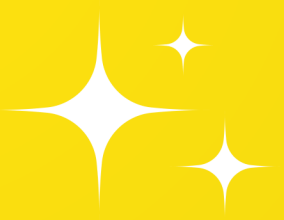

Tech Endowment

We need to secure Cuurio's long-term impact through the creation of a Tech Fund. A one-time fundraising goal of **\$1 million** would ensure our operating and technology needs are met in perpetuity with the opportunity for like-minded Christians to support the future of our ministry and others like ours focused on the gospel. It's an ambitious goal, but with your help, entirely achievable.

Corporate Sponsorships

Cuurio also has corporate sponsorships available, which include branding and marketing opportunities.
